

We have some ideas on how to keep your home safe during this time. The Environmental Protective Agency (EPA) has offered the list below... But based on the link below (cheapism.com) there are alternative options to buying the more expensive, name brand, products.

[Cheapism.com](http://cheapism.com)

### **EPA list of registered disinfectants**

Here are some of the registered disinfectants on the EPA's list.

*Name brand is not required, the equivalent more affordable brand will do the job just as well.*
